

The Graceful Connection

SEPTEMBER 2023

Latest News from the Northgate Park Newsletter

August was a busy month filled with fun and excitement. We kicked off the month with our 2nd Annual Grace Hospitality Week celebrating our associates. We recognized them for their hard work and dedication to our residents and our community.

We wrapped up the month with our end of summer Luau with coconut cocktails, delicious food, and karaoke! Our residents had a great time singing to tunes of their choice and we even had a visit from Sonny and Cher (pictured above)! It was a great way to close out our summer season and get ready for the cooler temperatures.

September is here and we are preparing to celebrate National Assisted Living Week! Throughout the week of Sept. 10- 16, there will be events happening each day to celebrate our residents. Please follow us on Facebook at Northgate Park Senior Living to check our week of celebrations and more!

Payton's Lemonade Stand at Northgate Park

Obert family joining us at our Luau!

As part of our Graceful Giving Program, Northgate Park Senior Living teamed up with Payton's Lemonade Stand on July 29th to help raise funds for children facing medical, economic, and personal hardships. We were the first senior living community to be a part of this wonderful event.

There were lots of hands involved to help make this event in our community a success so thank you to all who donated monetarily, made cookies and/or crafts, and helping us serve. A big thank you to the Obert Family who are the founders of this organization. Kudos to us for raising \$550.00 for Payton's Lemonade Stand!

September is set up to be a fun and exciting month! Our big focus this month is National Assisted Living Week, kicking off on September 10th, which is also Grandparent's Day! The theme for the week this year is Season of Reflection, so each day will have different themed seasonal programs. Keep an eye out for all of the amazing things planned in your community for this wonderful week celebrating you and the associates who serve you!

September also celebrates Intergenerational Month - which is all about finding common ground with people of different ages. Did you know that ageism is a double-edged prejudice? It can impact people both old and young adversely - so let's make a commitment this month to set aside stereotypes about being 'too young' or 'too old' and reach across the generational divide to connect with someone of a different generation. Or, be a rebel and embrace learning or doing something typically considered 'age-inappropriate' to prove ageists wrong!
